HOODRICH®

BRAND COLLABORATIONS

Our collaboration with Hoodrich WMNS was highlighted through the 'Girls With Grillz' campaign, where we crafted exclusive pieces for their Q3 drop, accompanied by a collaborative Instagram giveaway. Continuing the success, we joined forces with Hoodrich and Footstylum for the grand opening of Footastylum's new Oxford Street store, featuring a pop-up stall offering our bespoke luxury tooth gems. These collaborations underscore our commitment to innovation and style in the world of jewellery.
